

# New Transfer Planned Class Schedule

Due NO LATER than July 8 (earlier is better)

UNIVERSITY OF CALIFORNIA, BERKELEY  
 COLLEGE OF CHEMISTRY

UNDERGRADUATE ADVISING OFFICE  
 121 GILMAN HALL

## Student Information

\_\_\_\_\_  
 SID Number                      Family Name                      First Name                      Middle Name(s)

\_\_\_\_\_  
 Email address                      State & Country                      Major

Are you an international student?                       Yes                       No

## About Planning Your Fall Schedule:

The Planned Class Schedule is designed to help you prepare for enrollment. Completing this form is NOT equivalent to enrolling in classes.

You will use UC Berkeley's CalCentral portal to complete the actual enrollment process, AFTER your adviser has reviewed and approved your Fall course plan and released your enrollment hold.

College of Chemistry students must complete the Golden Bear Advising program and attend a Virtual Advising Q&A session with their adviser before being allowed to access the enrollment system.

Review your major's degree requirements and use the Schedule of Classes to see when and where your Fall classes are offered.

## My Planned Class Schedule:

Course (Dept. and #, e.g. Chemistry 104A)	Units
<b>Total Units:</b>
