*Give science a
brighter future.
Invest in the
next generation.*

Berkeley
UNIVERSITY OF CALIFORNIA

Tomorrow's scientific leaders rely on SUPPORTERS LIKE YOU.

From its humble origins in South Hall to its current place as the world's premier center for teaching and research in the chemical sciences, UC Berkeley Chemistry has been advancing society for 150 years.

As our faculty members make discoveries and scientific breakthroughs, our students make up the next generation of scientific leaders.

These future leaders need your help. As state funding for public higher education declines, every dollar you give helps to sustain and strengthen the College of Chemistry's standard of excellence in teaching and research.

Three ways you can MAKE A DIFFERENCE.

1

STUDENT SUPPORT AND EXPERIENCE

Make a life-changing Berkeley education accessible for all students, and ensure they have the resources, services, and support necessary to learn and succeed.

2

FACULTY RECRUITMENT AND RETENTION

Make the College of Chemistry more attractive for the world's leading researchers and teachers.

3

INNOVATIVE RESEARCH AND DISCOVERY

Give our student and faculty researchers the resources they need to improve lives around the world.

Six ways you can DIRECT YOUR GIFT.

College of Chemistry
