

NOTIFICATION OF COMPLETION OF AN UNDERGRADUATE MINOR PROGRAM

For students with a major in the College of Letters and Science: L&S requires that the student's minor include at least four upper division courses that do NOT overlap with courses for the student's major. If you have questions about this requirement, please contact the College of Letters and Science.

For students with a major in another College/School: Consult with your college/school for information on their overlap rules.
