

Partner Intake Form

Thank you for partnering with UC Berkeley Chemistry to offer research internship opportunities for undergraduates! Please provide us with the requested information below and we will post it on our website:

<https://chemistry.berkeley.edu/ugrad/college-of-chemistry-undergrad-research-experiences/industry-partner/projects>

Company Name:

Your contact information (*will not be posted*):

Brief description of the company:

Number of available student projects:

Project description(s):

Amount of any stipend you will provide:

We suggest a stipend of up to \$1500 per semester; the amount may depend on the student's time commitment. Students can decline the stipend if it adversely affects their financial aid. The posting will indicate whether or not a stipend is included, but not the amount.

Location:

Is remote work possible?

Approximate weekly time commitment (for each academic year project):

Any specific type of work sample or other application requirement?

The maximum number of applicants you can screen:

Other information?

**We recognize the intrinsic relationship between diversity and excellence. We embrace open and equitable access to opportunities for learning and development as our obligation and goal. As such, the application process has been designed to fulfill these beliefs.*
